**Acknowledgement & Authorization**

I have read and understand the HIPAA/Privacy Policy for Valley View Health Center (VVHC).
I hereby assign my insurance benefits to be paid directly to VVHC. I understand that I am financially responsible to VVHC for services not paid by insurance or other third-party payers. This authorization applies to all payers/insurances deemed responsible for coverage of services and includes all appeals, disputes and/or escalations up to and including the Washington State Office of the Insurance Commissioner.
I authorize VVHC to release my healthcare information required to process my claim. This authorization is effective for all services performed by VVHC and includes release of my healthcare information which may include benefit, claim, diagnosis and treatment records including sensitive healthcare diagnosis and treatment.
I understand payments made for services that result in a credit will be applied to any outstanding balances owed.
I authorize VVHC to obtain my photograph and/or scan my government issued photo ID as proof of identity. If I decline a photograph or scanning of my ID, I will show proof of identity at <u>every</u> visit.

**CONSENT TO CARE & TREATMENT  
FINANCIAL AUTHORIZATION  
ACKNOWLEDGMENTS**

**Patient Name:** \_\_\_\_\_

**Date of Birth:** \_\_\_\_\_

I (individually or on behalf of the patient named above) consent to outpatient care and treatment at Valley View Health Center, a federally qualified health center providing a range of health care services, including primary medical care, dental care, behavioral health care and pharmacy services. Such care may include routine diagnostic procedures, examinations and treatment including (but not limited to) routine laboratory work and administration of medications as prescribed.

I understand that I may also be asked to sign separate department-specific consents and authorizations, particularly for invasive or complex medical or dental procedures, behavioral health treatment or other matters in which the risks and benefits of care or treatment are not typically described as “routine.” Consents for a “series” of outpatient procedures or treatment will be updated at least once annually.

I understand that if I am consenting for the treatment of a minor, I may be asked to sign additional documents related to the care and treatment of a minor and my role in authorizing such care. If I am pregnant, or become pregnant, my consent for treatment includes consent for treatment of my unborn child.

\*\*If I have Medicare coverage, I understand Medicare covers Advanced Primary Care Management (APCM) services provided monthly by physician practices. I understand that my primary care physician is assuming responsibility for all my primary care services. Please visit our website [www.vvhc.org/insurances](http://www.vvhc.org/insurances) for more information.

I authorize Valley View Health Center to bill for all services provided, and I have separately provided Valley View Health Center with my health insurance coverage. I understand I am responsible for all co-pays, co-insurance, and deductibles required by my health plan. I understand that if care or treatment is not generally covered by my health plan or program I may be billed directly for such services. In that instance, I am entitled to request a Good Faith Estimate of the charges for non-covered services in advance of receiving such care or treatment.

I acknowledge that I was offered a resource card with links to the following documents and I understand that I may request a hard copy of any of these documents at any time:

- Statement of Privacy Practices (HIPAA)
- Patient Rights & Responsibilities
- Medication Policy
- Right to Good Faith Estimate of Charges

Thank you for choosing Valley View Health Center for your healthcare needs. To ensure the best possible experience for all of our patients, we ask that you review and agree to the following policies regarding appointment cancellations and appropriate behavior in our office.

### CANCELLATION POLICY

**Timely Notice:** If you need to cancel or reschedule an appointment, *we require at least 24 hours' notice*. This allows us to accommodate other patients in need of care.

**Late Cancellations & No Shows:** Appointments canceled with less than 24 hours' notice or missed without prior notification may be subject to a **\$50.00 cancellation fee** if your insurance allows (this fee is not billable to your insurance).

**Same Day Cancellations & No Shows:** Patients who accrue two (2) same day cancellations or no shows, regardless of department will be placed on standby status. Patients on standby must call for a same day appointment or arrive when the clinic opens to wait for a same day appointment. Standby status is valid for 6 months from the date of the second late cancel or no show.

**Appointment Reminders:** You will receive automated and/or verbal reminders ahead of your appointment. However, if reminders are not sent or you choose to opt out, it remains your responsibility to attend your scheduled appointment.

**Zero Tolerance for Harassment:** We do not tolerate abusive language, threats, or any form of harassment towards staff or other patients.

**Punctuality:** Please arrive on time for your appointment. If you are more than 10 minutes late, your appointment may need to be rescheduled.

**Health & Safety:** To protect the health of others, please inform us if you are experiencing symptoms of a contagious illness before coming in.
