Acknowledgement & Authorization

I have read and understand the HIPAA/Privacy Policy for Valley View Health Center. <i>Scan the QR code to read the document:</i>	
I hereby assign my insurance benefits to be paid directly to Valley View Health Center. I understand that I am financially responsible to Valley View Health Center for services not paid by insurance or other third-party payers.	
I authorize Valley View Health Center to release my healthcare information required to process my claim.	
I understand Valley View Health Center's appointment policy : Two or more missed appointments or same day cancellations may result in being placed on standby status, meaning I will not be able to pre-schedule appointments for six months and will need to call the clinic upon opening to check same-day appointment availability.	
I authorize Valley View Health Center to obtain my photograph and/or scan my government issued photo ID as proof of identity. If I decline a photograph or scanning of my ID, I will show proof of identity at <u>every</u> visit.	
I understand children younger than 18 years of age must be accompanied by a parent/guardian who stays at the clinic for the entire appointment. Minors are not allowed to be left in our waiting room without adult supervision.	
I have been offered a copy of Valley View Health Center's Patient Rights and Responsibilities form. <i>Scan the QR code to read the document:</i>
